

CAWSTON GAZETTE

Welcome

Welcome to Cawston's new newsletter - The Cawston Gazette! In these letters we (the editors) will update parents on the all the schools' news. If you have any questions feel free to ask any member of staff, and we're sure they'll have the answers! From the Editors,
Billie-Ray Skipper, Jasmine Savory ,Rosa Emerson and Anya Sharratt.

What Is Everyone Up To?

As many of you may know, all classes are very busy each week. Willow Class have had a big job settling in this year, so we thought it would be a good idea to inform you of what is going on in each class:

Throughout last term the Infants practised for their Nativity and did really well on the night.

We Ask Them

We have asked pupils a few questions about how they feel at school. Here are some answers to the questions we have asked them:

- How do you feel coming back to school? A pupil from Year 6 says " I feel really good coming back to school." A pupil from Year 4 says " I feel excellent about coming back to school."

-How are you doing in your new year group? A pupil from Year 6 says " It's really fun settling in my new year group."

-How are you getting on with your buddy? A pupil from Reception says "My buddy looks after me really well." A pupil from Year 6 says " I'm really happy with who I ended up with."

How do you feel about work? A pupil from Year 5 says "It's hard to get used to, but I'll get used to it."

These are all the questions we have asked them and they have responded.

Rowan Class

Rowan class have been very busy! They have teamed up with Willow and Poplar and rehearsed for the School Nativity. They're learning all about the 4 Seasons.

What Do People Think Of Our School?

In addition to the questions we asked pupils, they also gave us their opinions on what they think of our school. As everyone has moved up to a new year group or even a new class for some, work has become much harder. Especially as there is a new curriculum that everyone has to get used to.

Pupils have commented that even though the new work is hard they will try their best to pull through all the new and different work. The teachers are trying to do all they can to help the children to do their best!

They have also said that they are happy to see all their friends again; so teachers encourage a friendly and social environment for all the children. But they also make sure they don't talk in lessons apart from when they do partner teaching in class.

It has been a very hard job for Willow to settle in, but they are doing very well. They are having fun with their teacher Miss Adams and Mrs Searjeant. Key Stage 1 also rehearsed for their Nativity play and it went really well on the night and everyone really enjoyed it.

LOtC

All classes have been doing projects including Beech Class's "what's under your feet" project. Please ensure your child has full LOtC gear at school. We have also had the Eco Flag for several years.

Oak And Maple Football

In P.E Oak and Maple classes have been having football skill lessons with C.S.F coach Mr Henery. They have had their lessons every Wednesday afternoon and then the Sportasauras goes to the person who has excelled the most in that particular lesson.

Year 5/6 Swimming

Over the past term the Year 5 and 6's have been going to Aylsham High School for swimming lessons every other Thursday. The last time they went they all did the distance test to see how far they could swim without stopping. Certificates will be presented to the children in an assembly.

How Are Willow Class Settling In?

Willow Class are settling in very well! To help and encourage them so they have a role model to look up to, the staff have given them a Year 6 buddy. The older buddy is responsible for the child and should look out for them. But they don't have to be with them all the time.
