19 February 2018

Dear Parents/Carers,

Thank you for your support of Greek day, which was a great end to the topic. This half term's topic is Raging Rivers. Your child will need an empty disposable plastic drinks bottle (less than 1 litre) with screw lid for next week and please save the cardboard tubes from kitchen roll, foil, cling film or wrapping paper and send them in by 2/3/18.

Homework: Thank you for all the effort the children go to, to complete their homework tasks. The new homework web is in your child's book bag. I would like to remind you that learning their times tables, spellings and reading (at least three times a week) is also homework and is rewarded accordingly.

Spellings will continue on a weekly basis this half term and so therefore the children need to practise these repeatedly to commit them to memory.

Kit: Please have in school indoor and outdoor PE kit for Tuesday and Thursday lessons. On alternate weeks, starting on 22 February, swimming lessons continue for half the class and the rest are doing games with Mrs Dafforn. LOTC clothing needs to be available at any time during the week as I have plans to be outside a lot from this point onwards. Please also check that all clothing is named as we are trying to make the children more responsible for their belongings which is much easier if everything is labelled. Your support with this would be much appreciated

If you have any further questions, then please feel free to contact me either before or after school via the school office.
Thank you from the Year 5 team.
