Confident Individuals

We are always pleased to see our pupils grow in confidence in a range of activities. Our enrichment clubs give pupils the opportunity to attend a range of sporting and artistic activities. We also have children who get on confidently in activities out of school such as swimming, football, rugby, horse riding, Karate and dance. Please keep adding to our **Talent Tree!**

Responsible Citizens

Our Collective Worship theme is **Perseverance** so we will be looking at the many ways that people in our community try hard and never give up! Thank you for the great contribution to school life by the School Council, the Eco Team, our Year 6 Prefects and Buddies, our Peer Mediators and all the children who take part actively in class and group discussions.

Successful Learners

The teachers are working hard to make sure that all the children make good progress in their learning. **All** classes will be doing tests in May. **EVERY** class will be having the usual Summer Term Assessments in the next few weeks. Please help your child to have early bedtimes, **8.55** registers, healthy breakfasts and exercise! **Good attendance at school is so important.**

We are looking for Stars of the Week! You will be informed about your child's learning in all subjects in their Annual Reports in July.

Year 2: The National Curriculum assessments in Reading, Writing, Spelling Grammar and Maths are marked and sent to the LA and the DfE.

Year 6: The SATs in Reading, Spelling/Grammar and Maths are during the week 14th -18th May. The papers will be sent for external marking as usual and the results, including Writing, sent to High School and reported nationally. We also send our Teacher Assessment results.

Thank you!

Whizz-Kidz London marathon was completed by Heidi Hobday who raised £2110 for this worthwhile cause. Well done to her and thank you for your support by wearing Green and donating £163!

Team Malawi charity appeal for books by Ilana and Marcella's grandfather has raised £248 which will pay for half of the new library at Mlambe school in Malawi.

Supportive Community

We are fortunate in having enthusiastic 'Friends' of the academy who organise a range of events for the children and families. This year the 'Friends' have helped the children make gifts for Mothers' day and Fathers' Day, as well as putting on a Christmas Fair, Discos and Film Nights. Now the big push is to make the Summer Fair a successful event for everyone. We need volunteers so if you are able to help out before or on the day – Sunday 1st July - please let us know ☺
