July 2018

NEWSletter

END of YEAR

As we approach the closing weeks of another busy academic year I would like to thank all families for their continued support.

Cawston Primary has had another successful year with plenty of positive achievements and many special moments for the pupils in all classes.

We do listen to your feedback and try to address any issues fairly. We all work hard to provide the best for all our pupils but we do need parental support to help us achieve this.

Pupils' Annual Reports will be sent home on 13th July. I would like to thank all the staff and pupils for working so hard to achieve such good results this year. Please send back the parent survey.

Further improvements will be the focus for our planning for 2018-19.

FAREWELL

Good luck to our Year 6s as they take that big step onto high school. We have fond memories of them and will miss them all!

Reading Challenge

Thank you to all families who supported the Book Fair in June. It was lovely to see the children's enthusiasm for the new reading books on offer.

We welcome the Library service into school to talk to all the children about the Summer Reading Challenge.

We wish everyone good luck and fun reading to become a record breaker in the school library service summer reading challenge. Discover amazing world records by reading library books.

SCHOOL VISITS

All of our pupils have benefited from a range of enrichment visits for 'Learning Outside the Classroom'. The Reception children enjoyed their visit to Gressenhall for a wonderful storytime experience. Y1 class will visit Sheringham museum and the Y2 Pensthorpe visit will be an opportunity to explore the natural environment. Our Y3 pupils visited Norwich Castle for their Roman topic whilst the Y4 class will visit the historical site of Stow village. Our pupils have behaved and performed well on all occasions so congratulations and thank you for representing Cawston Primary with such pride!

The Y4 Holt Hall camp and the Y5/6 Hilltop visit will provide children exciting opportunities to develop confidences on residential visits.

Enjoy your family holidays together and hopefully you may get a chance to visit the Norwich GoGoHares Trail to see our CawHare at:
