General Information

PE:

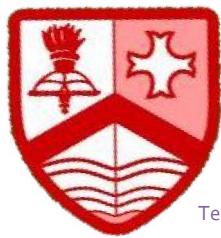

We will aim to have PE on a Monday and a Wednesday, please ensure that your child has their full PE kit (named) in school every day. We will try to go outside if appropriate, so it is important that your child has a PE kit which is suitable for all temperatures.

Uniform:

We are very lucky to have such beautiful grounds at Cawston and we love to learn outside in all weather! Your child will need a Learning Outside the Classroom (LOtC) kit in school which includes some waterproof clothing (or a spare set of trousers to change into if they do not have waterproof ones) and wellies.

Please ensure all uniform and possessions are named, children tend to have similar items to one another and it can be tricky to reunite lost property with its owner otherwise- thank you!

Reading:

We want to instil a love of reading into our children, so to develop this, it is important that your child reads regularly at home. Please try to read, and discuss what you have read, with your child at least 4 times a week and record it in their reading record if possible. We will also try to read with your child whenever we can in school.

Homework:

In Year 2, our main homework tasks will be spelling and reading. We will send spellings home on a Friday ready for a spelling quiz on the following Friday.

Show and Tell:

We'd love to see anything in school that may link to our topic, our current learning or anything special that has happened to your child, maybe photos or a recent award they have achieved. Please avoid toys wherever possible. Thank you!

I am really looking forward to the year ahead and I hope that Poplar Class feel the same. Please don't hesitate to catch me on the gate if you have any concerns or questions.

Many thanks,

Miss Dungey
