HAZEL CLASS

Pizza Pizzazz

Did you know that the Ancient Greeks and Egyptians were cooking pizza like a flatbread and topping it with olive oil and spices? The 'modern pizza' as we know it evolved in Naples when tomato was added in the 18th century.

The children will learning how to make a basic pizza base and adding a healthy toppings. Throughout this design and technology topic, children will be learning how to prepare food whilst using a range of cooking skills and gaining a good understanding of seasonality.

Class Information

Swimming

Swimming is every other Thursday. The dates for this are: 17/01/19; 31/01/19; 14/02/19; 07/03/19; 21/03/19 & 04/04/19. Please ensure that children arrive with a swimming kit, goggles (if required) and a swimming hat. Earrings **must** be removed as this may result in children not being able to enter the water.

Homework

Please ensure you support your children with homework. It is given out on a Friday and needs to be returned the following Wednesday. After years of 'dry' homework given to my own children, I have realised that in order to make this a pleasurable experience, I try and make them as creative and as open-ended as possible. Please encourage your child to 'have a go'.

P.E.

PE is now scheduled for a Tuesday afternoon and every other Thursday morning (this is to alternate with swimming). We will be teaching active 'social skills' needed for teamwork in sports. We will also be completing a 'dance' unit where children learn 3 basic street dance moves to ABBA's Mamma Mia.

Thank You & Happy New Year!

Miss Goode, Mrs Dack and myself would like to wish everyone a Happy New Year. We would also like to thank you for your kind christmas wishes, cards, presents and messages.

Italian

The children enjoyed learning Mandarin last half term so we have decided to learn to ask for our lunches in Italian!

In Boccaccio al lupo!
Meaning 'Good luck'

A decorative box containing the words "Thank you" written in a cursive script.
