

Cawston Church of England Primary Academy

April 2019

N e w s l e t t e r

EASTER CELEBRATIONS

Easter is at the end of the holiday break this year so we will be having our celebrations at the start of the new term.

St Agnes Church is having on-going major restoration works and is out of public use this spring.

Because we cannot fit all our classes and families into our school hall at once we will be holding two Easter assemblies on

Weds 24th April.

9.10- 9.40:

Sycamore, Poplar & Oak Classes

2.30 -3.10:

Hazel, Beech & Alder Classes

Please come along to join us in the school hall!

Charities

We encourage our pupils to develop awareness of the needs of others. Thank you for helping us to raise money for Children in Need, The Children's Society and Comic Relief this year.

Thank you for your amazing support in raising the funds for the Cawston defibrillator. The Friends are finding out about the equipment and the installation for our school site.

Next term our Collective Worship theme is Compassion. We encourage our school community to care for others, showing empathy and compassion in everyday situations.

PARENTAL ENGAGEMENT

It was good to see **98%** of parents at our Parents' Evening. We aim to keep you informed of your child's achievements in a variety of ways.

Annual Reports (July)

Interim Reports

Parents' Evenings termly

Reading Records

Star & Citizen Awards

THANK YOU 😊

We appreciate the many ways that you support our school events including:

- World Book Day costumes
- Science Evening
- Poetry Performances

Many thanks to Mrs and Mr Brett for their valuable contribution to the School bus project – it has been a sterling effort to get it closer to completion.

HEALTH and SAFETY

We always bear in mind our duty of care to keep your children safe. We carry out risk assessments to prevent and minimise the incidence of accidents. All our staff are First Aid trained. When there is an accident, we carry out detailed investigations and refer to our H&S policy.

We monitor behaviour and review our processes and ways of working to prevent any future accidents.

We also take actions to put in place plans or improvements required.

CONGRATULATIONS!
