

English

- Studying the fairy tale Cinderella and the classic features of this genre.
- Writing reports about Queen Elizabeth II and Queen Victoria.
- Cursive handwriting
- Build stamina for writing detailed sentences.
- Learn to edit their work and check their punctuation.
- Use a dictionary and word lists to improve their spelling and word choices.

History/Geography

This topic will look at the lives of two very important queens, Victoria and Elizabeth II. They will compare their lives and look at how this country has changed in the years between their reigns. Pupils will find out about important traditions associated with the monarchy such as coronations, weddings and the Trooping of the Colour. They will look at the different countries that the queen rules over and how these have changed over the years.

Maths

To read, write, compare and order numbers to at least 100.

To use place value and number facts to solve problems.

To recognise and use the inverse relationship between addition and subtraction and multiplication and division to solve problems.

To cover capacity, 3D shapes and asking and answering questions about graphs and tables.

Art

They will look at famous portraits of the two queens and create their own portrait using a variety of media. They will also investigate silhouettes as used on stamps.

Music

Charanga: Friendship Song

Computing

Using technology in cross-curricular activities, including as a research tool.

P.E.

Athletics: Track and Field

REAL PE skills

Science

Children will observe and describe how seeds and bulbs grow into mature plants. They will continue their study of the Poplar tree. They will find out and describe how plants need water, light and suitable temperature to grow and stay healthy.
