### Summer Term

Let's hope the summer sun shines! I hope that everyone had an enjoyable half-term week. As we begin the last half term of the school year we look forward to plenty of summer term activities and events including class visits and Sports Day. We are hoping for fine weather for all of our outside events.

Our Y5/6 Pupils have started with a residential visit to Brancaster Activity Centre. This is a great opportunity for them to build teamwork skills and to take some challenges! The staff will enjoy the experience too.

Year 4 children will be spending a night under canvas at Holt Hall learning nature crafts and singing around a campfire.

The other year groups will be going on day visits linked with their curriculum learning.

**We hope everyone enjoys these exciting experiences!**

### SCHOOL VISION

We have been reviewing our school vision with parents and the governors. After much consideration and as a rural school we have chosen to base it on the 'Parable of the Sower'.

*Growing Excellence*

*Planting, nurturing, flourishing.*

*We recognise the diverse talents and gifts that children and adults bring to our community. Jesus says that the seeds will thrive if they are nurtured. Our school offers the best environment for individuals to grow for 'life in all its fullness.'*

We are holding another Parent Forum to further discuss the school ethos and vision. Please come along at 9.00 in the school hall on Thursday 20<sup>th</sup> June.

### SAFETY ALERT

We are aware that the residents of Jubilee Close have concerns about the use of scooters and bikes on their pathways. Showing respect to others is a priority so we must all remind children, even toddlers, about this and look out for our new signage!

### Summer Fete

The Friends raise money for much needed equipment and extras by putting on special events for families. I would like to thank them for their efforts in organising the 'Alice in Wonderland' themed Summer Fete, which is on **Sunday 7<sup>th</sup> July!** Also, thanks to all families who can offer their support. As well as raising funds for those extra special things that the children enjoy, the Summer Fete is a great opportunity to open the school to the local and wider community.

Watch out for further events as volunteers are always welcome!

## Our School Values

The school aims to serve its community by providing education of the whole child within the context of Christian belief and practice. We benefit from belonging to the Diocese of Norwich Education and Academies Trust (DNEAT) with our school's ethos of caring about each child as a unique individual so that each child can reach his/her potential.

We focus on these values in our Collective Worship. This half term we are thinking about **COURAGE** and how we can act confidently with new challenges and take encouragement when needed. We will learn about the bravery of others and the achievements we can admire. We encourage children, and parents, to share courageous acts or times of bravery that have been important in their families or in the community. Please let us know!

## CONGRATULATIONS

**Well done** to the Year 6 pupils who rose to the challenge of SATs. The children in all year groups have worked hard for their assessments. The teachers are busy writing the end of year progress reports for July.
