Dear Parents and Carers,

9th July 2019

As you know we had an Ofsted inspection on 20th June 2019. The purpose of a short inspection is to determine whether the school continues to provide a good standard of education and whether safeguarding is effective.

Because it was a one day inspection Ofsted issue a summary letter in response to their findings. I am now able to send you the Inspection Report letter, which will be published on the Ofsted website on 17th July.

We really appreciate the support given by parents, pupils, staff and Governors during our Ofsted inspection. Thank you to everyone who completed the online survey, as your views are important to us. We can all be proud of the children who met with the inspector, talked about the school and showed the inspector their work confidently. The Inspection Report will help us to focus on our actions for further improvements. We are pleased that the inspector recognised the many strengths of our school, including our enriched curriculum, our achievement awards, our school teamwork and our collaboration with DNEAT. Staff and governors have a clear vision and determination to continue our journey towards excellence.

Kind regards

Kay Swann
