

Art & Design - Animal Puppets

What are puppets and why do we have them? Puppetry is an ancient form of theatre and was first recorded in the 5th century in Ancient Greece. Some forms have originated as far back as 3000 years BC. Can you design and label an animal puppet suitable for a toddler? Make sure you think about what material you would use and that it must be safe for a child age 3.

English – The Outlaw Varjak Paw

In Year 3 you read extracts from the first book - Varjak Paw by S.F. Write and illustrate a review of what you remember. Think about how Varjak was with his family at the Contessa's house and that he grew curious about the outside world and eventually climbed the wall to reveal a whole new adventure.

Remember to use your cursive handwriting with ascenders and descenders correctly formed.

Music- Blackbird

Who were 'The Beatles' and why were they so famous? With an adult, research this popular music band and write a report on them. Consider: Who they were? When did they form? What makes them different from other bands in that era? What songs did they sing? Are there any messages in their songs?

Mathematics – Number

How many ways can you count in multiples of 6, 7, 9, 25 & 1000. Produce a poster, game or song/rap to learn how to count in them. Be creative and have fun, I would like to share your ideas with the class! Be imaginative.

Science – Teeth

Have you ever considered looking at your teeth? I know this is not easy! Inside your mouth you have different teeth that do different things. Draw or photograph your teeth and list as many questions you can think of. Be curious!
