

Many parents are really struggling to help with their child's learning. Here at [Twinkl](#) we're committed to helping you to help them. You can direct them to our [Home Learning Hub](#), where they will find a daily timetable of age-appropriate activities.

Check out our home learning hub

Each day they'll find a new set of daily activities to get involved with. There are [book readings](#), [live lessons](#), [wellbeing resources](#), [fun exercise sessions](#) and more. We'll be bringing activities from our partners too, offering some much-needed variety. Activities will be listed the day before - giving everyone enough time to get prepped and set up for the next day's learning.

There is also our dedicated [Parents Hub](#) where they can also access advice and connect with other parents.

Whatever next week brings, we hope you're able to make the best of it. Please visit our [Facebook group](#) to keep in touch.
