

Friday 3<sup>rd</sup> April, 2020

Dear Oak Class,

It was really lovely to catch up with you and/or your parents over the phone this week and find out how you are doing and what you've been up to!

I was really pleased that you are settling into routines, happy to dip in and out of the home learning provided as well as start your own projects, get involved with home-based activities such as gardening, helping around the home and generally doing whatever works for you as a family.

Please continue in this vein and remember to look after each other and overall, be kind! It can be really tough all being stuck indoors with your family, but showing kindness, talking and listening to each other and exercising patience will all go a long way to getting along together.

For those of you who would like an activity or two to get your teeth into over the Easter break, I have put together a couple of challenges which you will find on Oak Class Home Learning page. One is an Egg Drop Challenge and the other is an Egg Baby Challenge! Both are practical activities and I hope you will find them fun! I look forward to receiving any photographs which your parents can send to me at:

[office@cawstonprimary.dneat.org](mailto:office@cawstonprimary.dneat.org) or

In the meantime, I wish you all a lovely Easter. You need to know that I miss you all very much and look forward to getting in touch again after the Easter break.

Best wishes

Mrs McCann
