Confident Individuals

We are pleased to see our pupils gaining confidence in activities during remote schooling, taking part in a range of life skills, sporting and artistic activities. We have children who get on confidently in activities at home such as playing musical instruments, practising football and doing dance routines.

Responsible Citizens

Our Collective Worship theme is **SERVICE** so we will be looking at the many ways that people in our community do good deeds or a random act of kindness for others. Thank you for your nominations. I will continue to mention children in assemblies and for our Cawston Citizens of the Week.

Well-being

Since we closed the school doors on 20th March, the well-being of our school community-pupils, staff, families and governors- has been at the forefront of my mind.

Daily life has changed with new ways of living and working. Our aim has been to keep connected and to reassure you all that the most important aspect of lockdown is keeping healthy and happy.

We know that all families have their own challenges, especially at this uncertain time.

Be kind to yourselves put your family's needs first ☺

Successful Learners

The teachers are working hard to make sure that their pupils keep engaged in remote schooling. We are impressed with the way families are juggling home learning with childcare and working from home or in the community. Do the best you can for their education but do not feel guilty and anything you can do to enhance their learning and life skills is very beneficial. Engaging them in sport, interests or just helping around the home and garden will all help them. Thank you so much!

Regular routines are still important for young learners- bedtimes, healthy meals and exercise!

We are looking for Stars of the Week!

The usual Summer Term national tests/ assessments have been cancelled but you will still be informed about your child's learning in all subjects in their Annual Reports in July. We will, of course, take into account our changed circumstances due to Covid-19.

CONGRATULATIONS
