

Cawston Church of England Primary Academy

June 2020

News letter

Summer Term

I hope you have all been enjoying the sunshine and your family time together.

As we start this second half term, we will be opening the school to some pupils in YR, Y1 and Y6, but this will not be school as we know it!

We fully understand parental anxieties and want to reassure you that the teachers will be offering the same learning to pupils whether they are at home or at school.

This will be a weekly Home/School Projects Web with learning activities and tasks that can be completed at home or at school.

As the teachers are now involved in daily school duties, they will have considerably less time to give feedback on pupils' work, but please still encourage your child to do their best and the teachers will do their best too!

Mrs Swann

Well-being

This term our focus will be on pupils' personal well-being. We will continue to look at ways to develop:

The Cawston Character

C- Celebrate

A – Aspire

W- Wonder

S- Social Graces

T- Think imaginatively

O- Own your learning!

N- Never Give up.....

Each class and family will be able to join in with the activities. Look out for the learning projects on the class weekly Home/School webs.

Our long-standing school motto is just as important as ever in this 'new normal'.

'Success by working together'

HEALTH and SAFETY

We are following government guidance and have completed a detailed Risk Assessment for the children, staff and parents on our school site. Handwashing and social distancing will be part of the new routines throughout the day. For those at home we are aware that keeping safe and healthy remains a priority. We have not been alerted to any occurrences of coronavirus in our community but will be ready to take swift and appropriate action if necessary. We will inform all our families in the event of a case and contact Public Health England for the latest advice for COVID-19 TEST, TRACE, ISOLATE. Likewise, we ask you to inform us immediately if you have any such information. Children, families and staff attending school will be making health declarations. The safety of our children, families and team is our top priority. We will all be staying very alert!

School Vision

Growing Excellence

Planting, nurturing, flourishing.

Our school vision is based on the 'Parable of the Sower'. We recognise the diverse talents and gifts that children and adults bring to our community. Jesus says that the seeds will thrive if they are nurtured. Our aim is for individuals to grow and enjoy *'life in all its fullness.'*

Values for Life

We focus on these values in our Collective Worship. This half term we are thinking about **TRUST** and how we can act confidently when we trust others. We will hear stories of how trust is shown. Children learn how to be trustworthy and why it is important that we all show people that we can be trusted.

We are pleased to be able to continue with our daily video Assembly with the staff and church contributions. Look out for our positive messages on Tapestry, Class Dojo or on our website Home Learning Tab.

Monday	Values for Life	K. Swann
Tuesday	Bible Story	Video/ songs
Wednesday	Eco	S. Brett
Thursday	Church	Rev Whitehead
Friday	Celebration	K. Swann

Green Ambassadors

Keep filling in those eco activities on your sheet as you participate with the Wednesday assembly themes. It has been lovely hearing about the bug houses you have made, the enjoyment experienced watching Our Planet as a family and the good that you are doing for the world we live in.

Please send back your sheets at the end of lockdown as our evidence as a school of our ECO priorities. Keep joining in.

Mrs Brett

CONGRATULATIONS

Sportasaurus: Sycamore Class:

Archie, Taya and Freya M.

Stars of the Week:

Ralphie, Joe W, Josh B, Fred D, Alfie C, Lottie, Ozzy, Joe T-D, Elsie May, Freddie B, Hallam, Tobey L, Ava-Mirella, Joseph F, Tilly, Isabella and Ebony M.
