BACK TO SCHOOL 😊

The government has said that all school children should go back to school on **Monday 8th March**.

We are super excited about this and will support your child's return to class. We understand that there will be mixed emotions, including some anxiety, but the teachers are ready to welcome the children back safely.

We continue to maintain Covid safety measures with our school routines and the organisation we had in place from September. We will have separate class play times and spaces. School uniform please!

Please reassure your children that others will be feeling the same and that they will soon settle back into school, just as they did in September after the summer lockdown.

We are looking forward to seeing them all and I am sure that they are looking forward to seeing their friends and the teachers!

We ask all adults to wear a face mask and to keep 2m distance on our site, even outside.
Thank you for your co-operation.

WORLD BOOK DAY at Cawston

Thursday 4th March

Are you ready for our '**Humorous**' day? Each class will be doing World Book Day activities, learning about humorous books and of course dressing up as one of the funny characters! Books are a rich source of ideas, language and stimulus for your child's own writing. See the link below

<https://www.worldbookday.com>

On 8/3/21 we will give out the FREE Book Tokens, which can be used until the end of March or until stocks last.

Happy Reading!

PARENTS' EVENING

Parent **telephone** appointments will be planned between 15th - 25th March.

Please look out for the booking forms so that you can book a convenient time for you to talk with your child's teacher.

COLLECTIVE WORSHIP

Our theme for assemblies this half term is **HOPE**. How will the children begin to understand this important Value for Life? We will hear about Bible stories of hope and learn about people who bring hope to others. We will also talk about how important it is to be hopeful for the future and how this means a fresh start to every day or situation.

BRITISH VALUES

At Cawston we follow the government guidelines to promote and help even the youngest children to understand:

- Mutual respect
- Democracy
- Rule of Law
- Individual liberty and responsibility
- Tolerance of those of different faiths and beliefs

STAFFING

Our thoughts are with Mrs Brett for a speedy recovery after her operation.

Also Ms Hord is booked in for an operation so the staffing cover in classes will be as follows from 8th March.

The same teachers will be in classes.

Please continue to message the teachers on ClassDojo if you have any concerns so that we can quickly sort out any issues that arise. We want all the children to have a smooth start back into school routines and friendships.
