SCHOOL VISION

We review our school vision with staff, parents, pupils and the governors. As a rural school we chose to base it on the 'Parable of the Sower'.

*Growing Excellence
Planting, nurturing, flourishing.*

We recognise the diverse talents and gifts that children and adults bring to our community. Jesus says that the seeds will thrive if they are nurtured. Our school offers the best environment for individuals to grow for 'life in all its fullness.'

Everything we do hinges on this vision- that we continually grow and aim for excellence. We work hard to achieve excellent outcomes for all our school community.

SUN SAFETY ALERT

We are preparing for more sunshine so please put suncream on your child before school and send in a hat or cap for playtimes. Better safe than sorry!

Wrap, Splat and Hat!**

THE FRIENDS

The Friends raise money for much needed equipment and extras by organising special fundraising events. I would like to thank them for their efforts especially this year with the difficulties of government restrictions. The 'Parents' Day' bookmarks were a great success thanks to Katie Marriott's skills and the suggestion from Anna Austin. Also, thank you to all families who support our school. Watch out for further events as volunteers are always welcome!

Our School Values

The school aims to serve its community by providing education of the whole child within the context of Christian belief and practice. We benefit from belonging to the Diocese of Norwich Education and Academies Trust (DNEAT) with our school's ethos of caring about each child as a unique individual so that each child can reach his/her potential.

We focus on these values in our Collective Worship. This half term we are thinking about **WISDOM** and how we can act wisely when faced with new choices or decisions.

We will learn about wisdom from examples in the Bible and the wisdom shown by some famous people. We encourage children to follow the wise words of adults and to understand the wisdom from some everyday proverbs.

Please let us know about your family proverbs that have been important when facing dilemmas in life!

CONGRATULATIONS

Well done!
