## FAREWELL

When I started as Cawston Reception teacher 26 years ago I didn't imagine that it would lead to such a rewarding and enjoyable placement!

There have been plenty of high points- nativities, concerts, sports days, class visits and summer fairs as well as the amazing lessons and playtimes that happen every single day! But it will be the children -more than 800 passing through, that I will remember most!

It has been an absolute privilege and pleasure to be part of Cawston Primary's journey and I am confident that it will continue its journey of 'Growing Excellence' by staff, families and children working together.

Thank you for your support, kind words, messages, flowers and gifts for which I am very grateful. I have enjoyed getting to know you all over the years and send my best wishes for the future. I take with me many treasured memories as I look forward to my own new path in retirement of new pastimes, some worthwhile volunteering and more time with my own family.
