More info will follow

School Carol Service
St Agnes' 6pm
Monday 13th December

End of term
Friday 17th December

**Start of Spring Term
Thursday 6th January
(N.B. Change of Date)**

It is safe to say that Autumn is well and truly here and the term is in full flow.

Thank you for your support of the MacMillan afternoon bake sale. Your response was tremendous and we smashed our target to raise £270. Please come along this Friday at 2.30pm to meet and join the 'Friends' in our fundraising mission for the year. It is a great way to make friends and 'many hands make

light work'. A big thank you goes to last years committee for the innovative ways they came up with, to raise money and support the school whilst social distancing. Raising money for the school is becoming more of a necessity to allow us to offer the wide range of enrichment activities that

support our broad and balanced curriculum.

Thank you to the teachers for their weekly updates to you on Class Dojo.

A letter regarding Parent Consultations will be going out this week to review how your child has settled into the new term.

Don't forget that if you have any concerns please message the teacher on Classdojo or ring the school office for an appointment to meet with the class teacher and/or myself asap.

Parking

A polite reminder that the school site is for school and nursery staff to park on **only**. The bay at the top is for the Taxi and it is important that this is kept clear.

PC Bailey has received complaints from residents in the neighbouring roads about inconsiderate parking. Please be respectful of where and how you park, when dropping children off at school.

As an ECO school we encourage children to walk to school as much as possible. If you travel from out of the village then there are a number of places now available to park that could relieve the overcrowded situation in Howards Way. You can park on the other side of Aylsham Road and cross with the Lollipop lady. The Bell Public House and Cawston Village Hall have offered the use of their car parks. There is also access to our school from Norwich Road. We are grateful as a school for this community spirit and ask that you are respectful in these areas too. There is a lot of research that supports the benefits of a 20 minute walk to school and I encourage you to consider the benefits of this going forward.

Thank you for your support in this matter as the welfare and safety of the children is our utmost priority.
