14th—20th March

Y5/6 Hilltop  
Monday 21st March—  
Wednesday 23rd March

Easter Holiday  
Monday 4th April—  
Tuesday 19th April

### Keeping Children Safe

You are invited to an evening of information about how the school and other agencies work together to keep children safe. It takes place on

**Thursday 10th February**  
**4pm to 6pm**

The information points will be spread around the school in ventilated classrooms and it will be a trail that you follow in number order to keep crowding to a minimum. It is an opportunity to view the school's resources and policies, get advice and have your say.

We look forward to welcoming families in to school in a safe environment to view the following:

PSHE/PATHS Personal, Social and Health Education/Promoting Alternative Thinking Strategies

Internet Safety

RSHE—Relationships, Sex and Health Education

Broadland Community Focus Officers - Yvette Gould and Greg Daniels

First Responders

Police and Fire Service tbc

**Number  
Day 2022**

**Friday 4th February**

Unleash your creativity! Think imaginatively!

Let us raise some money for the NSPCC by coming to school dressed as a number, wearing a number or number theme for a small donation.

The children will be having a maths afternoon in their classes as part of the celebration.

A polite reminder that school starts at 8.55 am. The gates open for 10 minutes at 8.45 am to give children time to get in and settled before registration. Arriving after this time is disruptive for your child and for the whole class.

# **School Uniform**

*When it comes to school uniform our Cawston Characteristics of Own it! comes into play. The children are expected to be responsible for what they wear and how they wear it.*

**Our school uniform consists of:**

*WHITE Polo Shirt  
RED School sweatshirt/school cardigan/plain jumper/cardigan  
GREY/BLACK Tailored trousers/skirt/shorts or  
RED checked summer dress  
Black School Footwear  
RED/White/Grey/Black are the school colours for socks, tights and accessories.*

**For LOfC:**

*Wellies,  
Waterproof trousers and coat.*

**For PE:**

*RED PE Shorts  
WHITE T-Shirt  
Black Tracksuit (sweatshirt and jogging bottoms)  
BLACK/WHITE Trainers  
Please name all items of clothing and footwear, including coats.*

*The School is looking into providing a 'pre-loved' uniform service. More details to follow.*

Children should not wear jewellery to school, except stud earrings for pierced ears. Earrings are to be removed for PE and swimming. If your child is unable to do this independently then please remove them on the morning they do PE/Swimming.

Long hair **MUST** be tied back for school. We do not allow fashion haircuts, shaves, colours or styles.

**Thank you for supporting your child to be a responsible Cawston Character.**

We are focusing this year on Non-fiction texts about animals for

## **World Book Day**

We are planning a SAW (Science, Art and Writing) project merging World Book Day with British Science Week. We have an interactive animal 'roadshow' visiting on the 3rd March paid for by the Friends of Cawston Primary, which will launch the science of animals and begin our fact finding mission.

We are suggesting the children dress up as animals from different countries and continents they have studied this year:

Sycamore: Woodland animals of the UK,

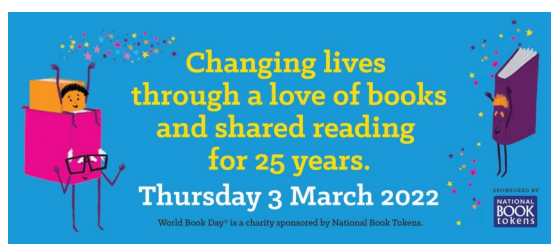

Poplar: African Animals,

Oak: Rainforest Animals,

Hazel: North American Animals

Beech: Darwin's Animals

Alder: Polar Animals

## **Parking on School Site**

Car parking at the beginning and end of the school day is a problem at most primary schools. Children and parents arrive and depart in a relatively short period of time and this causes congestion. Parking on the school site is only available to staff and official visitors to the school. A permit may be issued to parents with a legitimate and demonstrable need for this facility, such as a registered disability. There is also no pedestrian access at the front entrance to the school, this is a roadway and dangerous for children.

Please remember:

- No parents' vehicles may access the school grounds between 8.30 and 9.10 am and between 3.00 and 3.30pm.
- No parking immediately outside the school gates.
- No parking or vehicle movements on the pavements of Howards Way.
- Please observe parking restrictions in Jubilee Close.
- Please do not obstruct or park in front of driveways. Respect our neighbours who live close to the school.

Thank you for helping to keep our school a safe place.
