Summer Term Ends Friday 19th July Wow! What an exciting few weeks we have left this term! The children are busy practicing songs and special performances for the Nativity as well as the Carol Service at the church.

This newsletter shows all the Christmas festivities over the next few weeks as we make this time of year as magical as possible. Please join us wherever you can and thank you, as always, for your support.

#### **Christmas Around the Campfire**

This December, children will be spending a special session in the Wildlife Garden for Christmas stories and hot chocolate around the campfire.

We are able to do provide these magical experiences for the children at no cost, due to volunteers and parent helpers giving their time. If you are able to spare some time to help in school, please contact the office or speak to Mrs Brett.

#### **Whole School Carol Service**

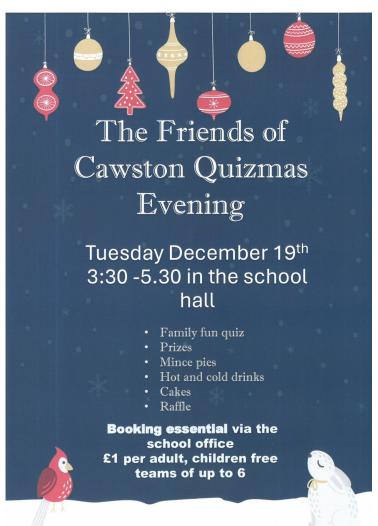

# Wednesday 20th December, 1pm at St Agnes Church, Cawston

Refreshments will be available from 1pm to raise funds for the school.

We have found it increasingly difficult over the last few years to use the church with no toilet available. Following feedback from previous services, we have secured a Portaloo for use by children and families. One of our parents has kindly sourced this for us, however we need to cover the delivery and collection cost. This equates to 50p per child—if you are able to make a donation help cover the cost it would be greatly appreciated.

The children will need a rucksack that they can carry to take their belongings to the church. Taxi children and those not collected from the church will be escorted back to school for the end of the day.

Please note there are **no Smiles sessions afterschool** on Wednesday 20th December.

A reminder that as an ECO school we ask that children don't

bring or give out Christmas cards in school.

The trees of the world say thank you!

A big thank you to everyone who supported our Anti-Bullying Week in November.

It is something that we continue to focus on all year round in school.

If your child has an issue or incident with another child in school, please contact the class teacher on Class Dojo in the first instance.

We are able to confirm actions taken during the school day or investigate further if the child hasn't informed us.

We would ask that you <u>don't contact</u> other parents in the first instance, particularly out of school hours. We encourage all members of our school community, parents included, to be kind and respectful to one another and to follow the proper procedures for any behavioural incidents in school.
