

The Autumn Term News

The news you want - the way you want it

HAZEL CLASS

Amazing Animals

Did you know that one adult elephant needs to drink more than 200 litres of water a day? Or maybe that whales do not have any teeth? Or did you know that camels can survive up to 6 months without water or food? These amazing facts and more will be explored by the children during this first half term's topic 'Amazing Animals'.

Physical Education

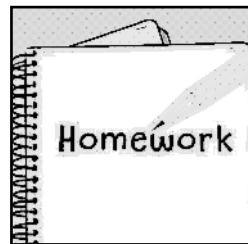

Please ensure that your PE kit is in school **at all times** and includes clothing for all weathers. Please also ensure that kit is returned back to school after a sporting event.

PE lessons will be on a Tuesday afternoon and Thursday morning however, these dates can occasionally change. Earrings need to be removed for safety or that tape must be provided if piercings are new.

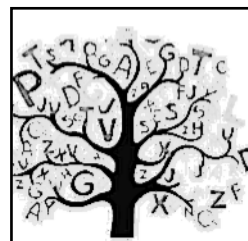

It is important that your child has the correct PE kit. This included shorts without pockets as our gymnastic lessons include climbing high equipment.

Please make sure children have indoor and outdoor shoes.

Homework is given out on a Friday and must be returned on Wednesday. All activities are designed for children to work independently and we do encourage this.

Spellings are taught in class and a copy is given out on a Monday for children to learn and return by Thursday. The spelling test will be on Thursdays.

Time tables are also taught in class and a copy will be sent home. These need to be learnt and returned by Thursday. The 'Rock Star' test will also be on a Thursday.
